UNIVERSITY OBJECTIVES

CHAPTER 1

Mission Statement

Ohio Christian University prepares students to serve effectively in the church and society by providing holistic, Christ-centered, biblically integrated education in the Wesleyan tradition.

General University Objectives

Upon graduation from Ohio Christian University the student should:

- Exhibit a commitment to holy living under girded by an understanding of Wesleyan holiness theology
- Possess career goals in accord with one’s calling in life with special attention given to ordained and lay ministries
- Demonstrate a commitment to ministering to the spiritual, physical and social needs of others
- Affirm the Bible as the only infallible guide for Christian faith and practice
- Embrace a Christian worldview predicated on a working knowledge of contrasting philosophical and religious views
- Exhibit college level competency in core general education subjects requisite for life-long learning

Conceptual Framework

Ohio Christian University utilizes a Conceptual Framework to develop each student into a Christian Servant Leader through three areas of their life: Leadership, Character, and Servants Heart that empower the student to experience a Holy Transformed Heart seeking to love God and love his people.

Students will begin seeing their Christian worldview shaped by the development of relationships, moral & ethical strength, an attitude of compassion, love for people, selflessness, humility and passion that is motivated into action. Through this students will experience a transformation of life into a fully devoted follower of Christ experienced through a spiritual rebirth.
University Lifestyle Statements

Ohio Christian University believes that our life purpose is to bring praise and honor to our Lord Jesus Christ. These statements are the general guide for lifestyle concerns for the entire University Community:

- We believe that the Word of God is the inerrant revelation for Christian faith and personal behavior and the Lordship of Christ in the life of the believer is the guiding principle for the University Community.

- To "love the Lord with all your heart and your neighbor as yourself" (Luke 10:27), is both a demanding and privileged responsibility. This unselfish, Christ-like love can be the motivation for lifestyle and certainly is the evidence of holiness and sometimes requires setting aside certain personal rights for the good of the community. Respect for authority is a natural result of this commitment.

- The ideals of holy living require that members of the community practice discretion and restraint in the choice of entertainment, use of leisure time, and associations with others, socially and in organizations. (I Cor. 10:31) In response to Divine truth, certain practices are forbidden by Scripture and others require restraint and control to avoid offense and harm to the Body.

- Attitudes such as greed, jealousy, pride, lust, bitterness, covetousness, hostility, an unforgiving spirit, and prejudice are condemned by scripture. The university community seeks to eliminate these attitudes as evidenced in speech and action, and to see them replaced by godly attitudes appropriate to the mature Christian (Philippians 2: 5-7).

- Ohio Christian University has chosen to adopt certain practices that contribute to an environment appropriate to its mission and goals. We are advised to occupy ourselves with virtuous pursuits. Right thinking about the noble things in life lead to godliness in thought, speech and action (Philippians 4:8).
UNIVERSITY POLICIES
CHAPTER 2

Ohio Christian University has adopted varying policies designed to address the safety and well-being regarding areas of campus and student conduct. Each of these policies are laid out and addressed in this chapter. These policies are authorized by the President’s Administrative Council and administered by University Personnel.

Counseling

The Office of Student Development has established partnerships with several counseling facilities in the Pickaway County area and on campus to serve as a referral system for students. Students that are seeking professional counseling may contact the Dean of Students to receive this list of contact information.

Financial Responsibility

It is essential that you maintain a positive testimony regarding finances. When you sign your financial agreement this means you pledge to faithfully pay your bill. The university reserves the right to take whatever steps are necessary for those who default on payment. Ohio Christian University's Student Financial Aid Program serves the majority of the student body through scholarships, grants, campus employment, and loans. Any student in need of help should contact the university Financial Aid Department.

Firearms, Weapons, and Explosives

There will be no discharging of firearms, weapons or explosives of any kind on university property. "Firearms/weapons" include rifles, shotguns, air rifles, BB/pellet guns, slingshots, paintball, and bows & arrows (exceptions can be made for students enrolled in a University approved archery course). Additionally, personal defense items such as Tasers and stun guns are not permitted on University grounds. The University may confiscate firearms to maintain the safety of the campus and its residents.

Additionally, any airsoft guns, knives over 3.5 inches, or other weapons than cause harm to another, are not allowed. All weapons listed above are absolutely prohibited on University grounds at all times.

Student Identification Cards

Students are issued an OCU identification card prior to the start of classes. This card provides the student with access to their respective residence hall, the dining commons (provided the student has a meal plan), access to library services and other campus related functions. Students should keep their identification card on their person at all times and are not permitted to allow
other students to carry or use their ID. Students who do so will be subject to disciplinary action.

**Sexual Impropriety**

Engaging in or the appearance of indiscreet or offensive sexual behavior is unacceptable and prohibited. Members of the opposite sex discovered in a student’s room during non-Open Dorm hours may be charged with sexual impropriety. This may include but is not limited to instances when doors are closed, lights are off, and students are not fully clothed. These incidents will be addressed through the Student Conduct Process. This includes all off-campus students as well.

**Internet Access**

The University encourages students to use technological advances to enhance their personal educational experience. The computer lab allows all students access to the internet.

The University has provided a system whereby students can access the internet from their rooms via the University server. Since the University provides internet access for residence halls, residents are not permitted to access the internet through any other source from within the residence halls.

The University reserves the right to restrict students from accessing internet sites that are pornographic in nature or in any way not consistent with the standards of Ohio Christian University. The University further reserves the right to monitor, randomly or systematically, individual or network use of the internet. Violations of policy will be handled through the Student Conduct Process.

**Social Networking Policy**

It is imperative that each student realizes the importance of using discretion when utilizing social network mediums such as Facebook, Twitter, and Instagram. Students are strongly encouraged to use the strongest privacy settings to prevent people from accessing personal information. Additionally, students must realize that they represent Ohio Christian University at all times. Content put on the internet can have negative consequences regarding status as a student, professional opportunities and other goals. Students who have complaints or concerns should utilize the appropriate method for submitting letters of complaint explained in the Student Handbook.

Furthermore, the University has established the following Social Networking Policy for all University representatives:

- **Purpose** - Social networking services (i.e., Facebook, Twitter, Snapchat, etc.) provide a means of reaching many students and constituents in a way that they welcome and even invite. For this reason, Ohio Christian University (OCU) must seek ways to harness the
power of social media while maintaining a degree of consistency and control over how social networking is used.

- **Scope** - This policy applies to all official OCU social media presences. It is important to note that due to the nature of social networking services, it is impossible for OCU to fully control what is posted on social networking services if that content is not created by an employee or agent of the University. With this in mind, OCU should and can control the content posted to social media services by employees and authorized agents.

- **Definition** - Social Networking Services are internet-based services or sites that allow individuals or organizations to share views and connect with other individuals or organizations. Examples of social networking sites include Facebook, Twitter, Flickr, and LinkedIn.

- **Approval**
  - Before creating an official OCU presence on social networking service(s), employees must obtain the approval of their vice president.
  - Student groups must obtain the approval of the Vice President for Student Development.
  - In order to obtain approval, the individual must submit a document describing the objective for creating the social networking presence as well as a description of the types of content and information which will be shared.

- **Content**
  - When creating a social networking presence all content including content posted by visitors must be consistent with the guidelines and spirit of the OCU Student Handbook. The creator of the social networking presence is responsible for reviewing all posted content and removing inappropriate content.
  - The title of the presence must include “Official.” For example, “Ohio Christian University (Official).”
  - OCU logos and other graphics must be consistent with those in the OCU Brand Style Guide, so that the OCU brand is protected. The OCU Webmaster will be available to provide logos and address questions related to maintaining a consistent OCU image.

- **Access and Permissions**
  - All social networking presences must be owned by the department. This means that in addition to the individual responsible for updating the content, the department’s vice president must also have access to the site.
  - The Webmaster must also be provided with administrative access to all social networking services. The Webmaster will not visit social networking sites regularly to review content; however, he or she must be equipped to address concerns if concerns are expressed.
Responsibilities - It is the responsibility of each department to maintain social networking presences so that they remain consistent with the standards of OCU both in terms of the appearance and appropriateness of the content.

Media Guidelines

It is the policy of the University that all forms of public media (i.e. television, newspaper, radio, websites) who wish to interview any member of the University be referred to the Office of the President with their comments or questions.

Entertainment

In the Christian community there are some forms of entertainment that are considered questionable and/or inappropriate. The University requires members to refrain from the viewing of unwholesome and unprincipled drama whether at the movie theatre, the live theater, on television, or electronic media. Members should also refrain from listening to or participating in music that makes use of indecent/degrading lyrics or promotes an undesirable emotional/physical response. It is understood that attendance at dance halls, bars and nightclubs will not be acceptable for the students of the University community.

Television viewing is a privilege extended to the resident students; however, the University reserves the right to restrict television viewing in the halls and other University facilities.

Videos or DVDs containing pornography, coarse language, adult humor, adult situations, nudity and excessive violence are prohibited. This includes ratings of R, NR, and X, as well as PG-13 when content listed above is present. Additionally, video games rated Adult Only (AO) and above are prohibited. Violations will result in disciplinary action which may include forfeiture of viewing privileges and/or confiscation of the unit or media.

Students are expected to keep the volume down on listening devices so that the noise does not distract other students. If the noise or music can be heard in the hall or other rooms with the door closed, it is too loud. Students are encouraged to use personal earphones.

Personal music choice should be consistent with the mission and standards of Ohio Christian University. Music that contains suggestive or coarse language is not permitted at campus sponsored events, in residence halls, or anywhere else on campus.

Nondiscrimination Policy

Ohio Christian University admits students of any race, color, nationality, ethnicity, or handicap to all the rights, privileges, programs, and activities generally available to students at the school. It does not discriminate on the basis of race, color, sex, nationality, or ethnicity in administration of its educational policies, admissions policies, scholarship and loan programs, as well as athletic and other school-administered programs.
In conformity with the pertinent requirements of Title IX of the Education Amendment of 1972 enacted by the Congress of the United States, Ohio Christian University does not within the context of its religious principles, heritage, mission, or goals discriminate on the basis of sex in the area of employment, admission, educational programs, or other activities.

Ohio Christian University complies with all federal and state non-discrimination laws and is an equal opportunity institution. The University reserves the right to, and does, maintain student educational and behavioral standards, as well as standards based upon religious considerations consistent with its role and mission.

**Student Housing Visitor Policy**

Students are not to visit a room, apartment, or home on campus of a single student of the opposite sex alone without proper permission from the Coordinator of Residence Life, except during Open Dorm hours. Violations may lead to loss of housing privileges. The host is responsible for the conduct and whereabouts of his/her guests.

**Personal Property**

The University will exercise reasonable precautions to protect personal property left on campus, but cannot assume responsibility for the loss of money, valuables, or other personal property. Please report all losses to the personnel in Campus Security and in the Office of Student Development. It is the student’s responsibility to initiate contact with local authorities if deemed necessary. Personnel within Campus Security and the Office of Student Development can provide contact information if requested.

**Policy on Children in the Classroom**

Due to the various disruptions and distractions (whether real or potential) associated with the presence of children in the classroom setting, no children will be permitted to accompany faculty or students into University class sessions. Faculty and students will either need to make appropriate arrangements for the care of their children by others, or utilize their allowable class absences to care for their children themselves in emergency situations.

**Possession and Use of Tobacco and Controlled Substances**

The possession and use of alcoholic beverages of any description, non-medical narcotics, or hallucinogenic drugs, including marijuana, is completely and strictly prohibited on the campus of Ohio Christian University, denominational property, or by any student of the University. Those in violation risk immediate dismissal and will be subject to civil penalty as well. All tobacco is prohibited on the University campus and denominational grounds at all times (this includes E-Cigs, Vapor Pens, chewing tobacco, etc) It is expected that any student that has a habit of tobacco use will make every effort to quit. Counseling and other assistance is available. The University
reserves the right to enforce accountability guidelines when deemed necessary. Ohio Christian University is a drug, alcohol and tobacco free environment.

**Sexual Harassment and Child Abuse**

The University will not tolerate sexual harassment or child abuse by any member of the University community. A student should report any incident to the Title IX Coordinator via email at TitleIX@ohiochristian.edu and to Campus Security.

**Visitors Policy**

The University reserves the right to limit or forbid the visitation privileges of any person. Visitation may be restricted if a person's presence on campus is threatening or in any way upsetting to any member of the University community, or limits the effectiveness of job performance of any employee. It is entirely within the University's rights to demand that said persons remove themselves from campus or be removed by the authorities. After being informed that they are to leave, individuals must seek permission from administration if they wish to return to campus at any time. The visit, if granted, will be limited.

**Mandated Reporting Policy**

All members of the University community are expected to report any crime that they are aware of regardless of the status of (guest, student, faculty member) the survivor of the crime. Failing to report a crime may be a crime under state law. The University commitment to the safety of the campus community is a top priority, and student(s) who are found to have failed to report a crime to the proper authority may be subject to discipline.

Students should refer to the Annual Security Report for reporting procedures. This report can be found at [http://www.ohiochristian.edu/about-ocu/campus-security-fire-safety](http://www.ohiochristian.edu/about-ocu/campus-security-fire-safety)

students that do not attend classes everyday are required to earn credits based on their days of attendance and their class schedule. If a commuter student does not fall into the 26 credits required category, they must complete a Corporate Worship Exemption Form with the Spiritual Formation Department. Commuters will be required to earn credits based on the days they have class directly before or after chapel. This form must be submitted within ten days of the beginning of the semester and is not official until written approval is returned to the student. A Corporate Worship Exemption Form may be submitted as soon as the student’s schedule is set for the semester. Post-Secondary students are not required to earn credits.

Failure to obtain the required credits will result in monetary fines and/or other disciplines.

Students will be notified of their Spiritual Formation Credits through the students’ OCU online learning platform. Students have five business days from date of absence to appeal the accuracy of Chapel Attendance Records. A cumulative account of credit will be posted at the end of each semester as well as any fines incurred due to failure to meet required credits. There will be no other contact regarding Spiritual Formation Credit status. Students who wish to appeal the accuracy of Corporate Worship credits may do so by filling out an Accuracy Petition with the Spiritual Formation Department.

satisfactory requirements are met as assigned by the Director of Spiritual Formation.

- Each student will be responsible for keeping record of their own Spiritual Formation Credits. Students have the ability to check on the number of Corporate Worship Credits on their OCU online learning system or at the Spiritual Formation Department. Ignorance of the Chapel attendance policies or failure to meet Corporate Worship Credit requirements does not excuse potential assessment of monetary fine or other penalty. Students have 5 business days following the last Chapel of each semester to appeal any credit penalties. All fines must be paid before transcripts or diplomas will be released. All fines must be paid at the Business Office.

**Chapel Attendance Check System**

Students must have their Student ID cards to record their Chapel Attendance. A student not presenting his or her ID will receive one tardy.

A student will be counted tardy if they arrive at Chapel after the service has begun. For every four late arrivals a student accumulates within one semester, they will have one Corporate Worship Credit removed from their earnings. Students arriving more than 5 minutes late for Chapel or leaving Chapel early will not receive credit.

**Chapel Conduct**

Students are expected to maintain conduct that is appropriate for worship. Inappropriate conduct includes excessive talking and other disruptive behavior, physical contact (PDA), studying, sleeping, using cell phones, etc. Disciplinary action may result, including the loss of a Corporate Worship Credit.

**Church Attendance**

Attendance at a local church on a regular basis is an indication of spiritual growth and maturity and is expected of our college family. All students are welcome and encouraged to worship at
University Church here on campus.

Regardless of where students attend church, they are expected to participate in activities as part of the Body of Christ and to attend church on a regular basis.

**Harmonious Worship Guidelines**

Ohio Christian University is thoroughly committed to the Wesleyan Arminian interpretation of the Scriptures. This theological position mandates this stance on glossolalia: We accept the Biblical record of glossolalia as reported in Acts and I Corinthians. The gift was given as a means of communication: "Every man heard them speak in his own language" (Acts 2:6). The Apostle Paul considered glossolalia as the lesser of the spiritual gifts (I Corinthians 12:28-31). Since the gift is a manifestation of the Holy Spirit, the gift is not to be sought but is the prerogative of the Holy Spirit. There is Biblical evidence that speaking in tongues is not a prerequisite to the baptism of, or being filled with, the Holy Spirit.

Therefore, Ohio Christian University feels a responsibility to students, parents, pastors, churches, and denominations which send students to us. Consequently, we have adopted the following policies:

- No student shall engage in the use of tongues speaking or prayer language in the presence or within the hearing of any other member of the University.

- Group prayer meetings or Bible study sessions are not permitted to engage in the practice of tongues speaking or prayer languages anywhere on the University campus. University sponsored small groups should follow these same guidelines anytime and anywhere they meet.

- Ohio Christian University does not encourage or promote the act of speaking in tongues or prayer languages. These policies are in place for the existence of harmonious interaction among students.

- In Christian love, we urge all who cannot walk according to our policies to associate themselves with a school harmonious to their own convictions.
STANDARD OF DRESS

The reasonable standard Ohio Christian University desires to maintain for its developing leaders is a neat and modest appearance which projects self-confidence, maturity, and high academic expectations. We desire to present students as developing professionals to win the confidence of those we seek to serve. Since fashions and apparel fads change constantly, the standard of dress is intended to maintain modesty.

The standard of dress applies to all campus resident, commuter, and PSEO students while on campus, during all academic sessions. Faculty, staff, and Student Life personnel are empowered by the University to mandate adjustments on the part of students whose apparel or grooming are considered inappropriate for activities of the University.

Modesty Guidelines

In keeping with standards of positive righteousness, students must be aware of the manner in which clothing may occasionally be too revealing. Please take care to wear clothing that does not reveal the upper or lower midriff, chest area, or undergarments at any time.

For example, this type of exposure may become a particular problem when females or males are kneeling at the altar or bending over for any other reason. Students are required to dress in a manner that eliminates this possibility. Clothing should not reveal or expose the midriff or abdomen, back, or chest. Tight fitting apparel is often more revealing than is acceptable, please see below for guidelines.

General Guidelines

Students must be properly clothed at all times, and maintain an appearance of professionalism. Additionally, ladies are asked to use cosmetics and jewelry conservatively. Women are permitted to wear earrings; men are not permitted to wear earrings at any time. Jewelry involved with body and facial piercings are prohibited for both genders.

A man’s hair and facial must be kept neat and trim and must not be in a ponytail.

Extremes in hair styles and dye colors that do not occur naturally in humans are prohibited (blue, green, pink, etc.).

Clothing with writing not consistent with the Lifestyle Statements of Ohio Christian University, t-shirts with holes, and pants with holes are not to be worn by either gender to Chapel, or lunch.
Dirty, ragged, patched, faded clothing, or clothes intended as undergarments are not to be worn outside of the students’ room.

Hats, caps, hoods and other coverings are not allowed to be worn in University Chapel. It is appropriate to remove hats during any prayer at any time.

Some student organizations or ministry groups such as Chapel Ministry Teams, choir, travel groups, athletic teams, academic programs, etc. may require participants to adhere to a stricter standard of dress; students should comply with these requests.

**Professional Dress Days**

Professional Dress Days are predetermined days where students are notified through a variety of communications, including email, to dress professionally. On these days men are to wear collared shirts, dress pants, and dress shoes; women are to wear dresses or blouses with pants or skirts and shoes.

Collarless shirts are not appropriate on these days.

**Semi-Formal/Formal Attire**

Students are required to wear shoes in all campus buildings and are encouraged to wear shoes while on campus grounds and outdoor common areas.

Clothing Restrictions

Several items of clothing are not in keeping with the General and Modesty Guidelines of the Standard of Dress and are not permitted to be worn at any time on campus. However, some items of clothing are permitted if they are properly covered to meet these guidelines, for clarification students may speak with a member of the Student Life Department. The following statements explain these expectations:

- Tank tops, cut-off shirts, spaghetti strap shirts, and camisoles are not permitted to be worn unless properly covered
- Shorts are permitted in class and must be no shorter than fingertip length. Shorts are not allowed in University Chapel.
- Modest workout clothing is permitted in areas designated for fitness and Athletics. Spandex, leggings, running shorts, etc. will need a modest covering. Sheer or see through clothing is not permitted unless the proper amount of clothing is worn to prevent seeing undergarments.
- Low cut shirts and shirts that expose the midriff or chest are not permitted.
Ohio Christian University is a residential campus that believes in the many benefits derived from living in a University Residence Hall. Therefore, all single students, maintaining at least nine credit hours per semester, which are not living with immediate relatives, are required to live in University provided housing. Residence Halls are managed Resident Directors and by the Coordinator of Residence Life. The coordinator and RDs handle administrative duties as well as community and minor disciplinary issues. Additionally, the staff is there to assist and coach students on an individual basis, as needed.

Each Residence Hall is staffed by a Resident Director (RD). The RD works under the direction of the Dean of Students and monitors the upkeep of the building as well as maintaining the collective community of the hall.

Resident Assistants (RA) work under the direction of the building RD. RAs are available to assist students with various needs and to maintain order in campus life. Students are expected to immediately respond appropriately to any directions given by Residence Hall Staff.

General Residence Hall Policy

The University retains the right to assign students to their particular rooms and roommates. A student has the right to request a roommate, yet the final decisions in these matters are made by the Dean of Students and Coordinator of Residence Life.

Residence Hall Attire

Any form of public nudity is not permitted and will result in disciplinary action.

Private Rooms

Students desiring a private room must make the request, in writing, on the Residence Hall Housing Contract. Keys will be assigned to the student at the time of check in to the Residence Hall. If a key is lost or damaged, a $50 fee will be charged to the student. The keys for University facilities are never to be duplicated by students.

Room Furnishings

Rooms are furnished with bunk beds, desks, chairs, dresser, closet racks, ceiling lights, and blinds. These furnishings are not to be moved from one room to another without permission from the Resident Director.

Personal decorations and furnishings must be appropriate to the mission of the University, if certain items are found to be inconsistent with the moral standards of the University authorized persons may remove these items.

The University is not responsible for the loss or damage of personal property of students in any building or on University property. University insurance covers University structures only. Students’ belongings may be covered by their parent’s homeowners/renters/auto policies. Check with your insurer.

Occupants of a room are responsible for damage to the room furnishings and structure inflicted either by themselves or others.

Pets

Resident students are not permitted to have pets in the Residence Halls. Students found with pets in the Hall will receive carpet cleaning charges and non-compliance charges. In some cases, failure to comply will result in the student entering into the disciplinary process. Exceptions may
be made for Service Animals. Please see below for more detail.

**Service Animals on Campus**

The scope of this policy is to set forth the University’s policy, guidelines and requirements with respect to the admittance and use of service animals on University grounds or in other programs.

It is the policy of the University that service animals assisting individuals with disabilities are generally permitted in all OCU facilities, programs, and activities except as described below or otherwise governed by applicable law.

OCU encourages, but does not require, students to make themselves known to the University should they desire to have a service animal accompany them in academic classes, activities, or services on campus.

If a student plans to have a service animal live with them in residence, OCU requires that the student provide notice to the University. Notice is used solely to ensure the appropriate housing placement/accommodation is made. Students should provide notice to the University by contacting the Dean of Students in the Student Development Office.

Ohio Christian University is not responsible for the care, supervision, or financial expenses associated with service animals.

**Areas Restricted to Service Animals**

The University may prohibit the use of service animals in certain locations where the service animals may be in danger, or where their use may pose a risk.

**Responsibilities of the Owner/Handler**

The owner/handler is responsible for the cost, care, supervision, and safety of their service animal, including:

Compliance with any state and/or town laws pertaining to animal licensing, vaccination, and owner identification.

Keeping the animal under control, on a leash, harness, or other restraint at all times outside of the owner’s private quarters or work area. When a leash, harness, or other restraint is not in use, the service animal must be otherwise under the owner’s control (e.g., voice control, signals, or other effective means).

Feeding and walking the animal and properly disposing of waste or soliciting assistance to dispose of the waste. All animal waste should be disposed of in exterior trash receptacles.

Additionally, the owner is not permitted to leave the animal overnight in campus housing
to be cared for by any individual other than the owner/handler.

**Financial Responsibilities of Owner**

A person who has a service animal on campus (including University housing) is financially responsible for property damage, beyond reasonable wear and tear, caused by his or her service animal. This includes but is not limited to, the cost of any pest treatment beyond standard pest management, cost of repairs, replacement or cleaning of facilities or furnishings, and any bodily injury or personal injury caused to other persons by the service animal.

**Removal of Service Animal**

Any service animal may be removed from campus temporarily or excluded from campus permanently if the animal is unruly and disruptive (barking, running around, off leash or out of control, aggressiveness toward others including people and other animals, disruption or interruption of class, etc.), in ill health or habitually unclean or unhealthy to the extent that the animal’s behavior or condition poses a direct threat to the health and safety of others or otherwise causes a fundamental alteration in the University’s services, programs, or activities. If such behavior or condition persists, the owner may be directed not to bring the animal into public campus areas until the problem is rectified.

In the event that restriction or removal of a service animal is determined to be necessary, reasonable accommodations will be provided to ensure the individual equal access to the activity.

**Conflicting Disabilities**

OCU is aware that persons at the University may have a condition or disability that may precipitate an allergic reaction to the service animal. Persons who have asthma, allergies or other medical issues with the animal are to be directed to make a complaint to the Office of Student Development. This individual will be asked to provide medical documentation that identifies the condition(s) and will allow determination to be made as to whether the condition is disabling and whether there is a need for an accommodation. Action will be taken to consider the needs of both persons to resolve the problem as efficiently and effectively as possible.

**Service Animal Etiquette for OCU Community**

Service animals are working and are not considered pets. OCU faculty, staff, and students should refrain from the following interaction with the service animal:

Prevent a service animal from accompanying its handler at any time.
Pet, feed, or otherwise distract a service animal who is “on duty.”

Startle, tease, or taunt the service animal.

**Electrical Devices**

Due to state fire codes, care is to be taken when using electrical devices in the rooms. Electric space heaters, halogen lamps, candles and candle warmers, deep fryers, hot plates or any appliances with an open heating coil; such as a toaster are prohibited. Extension cords are prohibited as well. However, students may have a power strip that is equipped with a surge protector and reset switch.

**Room Inspection**

Residence Hall rooms are inspected weekly during a time designated by the Resident Director. Every room should be kept orderly and clean at all times, and decorated in keeping with Christian principles. Students who fail two consecutive Room Inspections will receive a fine.

Students that reside in the University’s independent living halls (Terrace Hall and Townhouses) may not be inspected on a weekly basis. However, students that reside in these building that fail to maintain a clean and orderly room will be subject to disciplinary action, including but not limited to relocation to a community building.

**Search and Seizure**

University officials reserve the right to enter a student's room without consent when circumstances dictate. Example of Search and Seize circumstances may include but are not limited to the following:

- If it is believed that a federal, state, or University regulation is being violated
- If it is believed that the room contains illegal or immoral items
- In the event of an emergency

**Residence Hall Common Areas**

Students are not permitted to sleep in any of the lobby areas due to state fire code restrictions.

Books, food, dishes, and any other personal items are not to be left in lobby, kitchen or other public areas. Items left behind may be discarded or removed to clean the area.

People are expected to keep noise at an appropriate level at all times.

Men and women may visit in the main lobbies during select hours. Students in violation of visiting or Quiet Hours will be asked to leave and visitation privileges may be withheld. Students, guests,
and family members are not permitted beyond the lobby area in a Residence Hall of the opposite gender outside of Open Dorm hours.

**Overnight Guests and Meals**

Anyone not currently a resident of the hall is considered a guest. Guests may stay in the hall if arrangements are made in advance via notification with the Resident Director. A guest must be at least 18 years of age, but no older than 28, unless they are in attendance for an event coordinated through the Office of Enrollment. Each student may have an approved guest five nights per academic semester. Guest privileges pertain to the same person and/or a combination of persons. Payment is required for every visit over five. No one person may stay in the hall for free more than five nights.

Records will be kept in the Residence Hall Office. Guests must abide by the same regulations as students. Additionally, guests are expected to pay the established price for meals if eating in our dining commons. Students are responsible for their guest’s actions.

Prospective students will be granted free lodging for one night and granted three free meals. Arrangements for lodging and meals must be made through the Office of Enrollment and the Office of Student Development.

Students will be responsible to pay the guest fee and will be subject to disciplinary action if the student fails to obtain proper approval for guests visit or fails to inform the RD of persons staying in the Hall or student's room. It is vital that the RD knows who is in the building each night. When special visitation events take place on the campus, every effort will be made to respect the privacy of the resident student; however, we reserve the right to utilize residents' rooms to house visitors during prospective student events as needed.

**Visitation Hours**

Residence Life Staff hold regular, staff supervised, hours where opposite sex visitation is permitted referred to as “Open Hall.” These times are coordinated and posted by the Residence Life Staff and each building Resident Director, and visitation outside of these times is prohibited and will result in disciplinary action.

Students who visit during these times are required to check in at the Residence Hall Desk where the Residence Life Staff member will take possession of the Student’s ID for the duration of their visit. During these hours students with guests are required to leave their room door open, lights on, and be properly positioned at all times.

Students who visit that fail to bring their ID and comply with any of the University or Hall expectations will be required to leave and will be subject to additional consequences.

**Curfew**
Freshmen students under the age of 20 will have a 12:00 AM curfew from Sunday to Wednesday and a 1:00 AM curfew from Thursday to Saturday. Those students who wish to apply for exemption from curfew for the Spring semester forward, can do so through an application located in Student Development. Student’s Spiritual Formation credits, Student Conduct record, and Academic Progress will be considered in the evaluation/approval process.

Students with curfew are expected to be in their Residence Hall each evening according to the curfew schedule. All students must check in at the Residence Hall desk each night once they are in for the evening to assist the Residence Hall Staff in the event of an emergency.

Late permission is secured 24 hours in advance from the Resident Director. Unless there is an emergency involving parent, or illness, verbal late permission will not be given by Residence Hall Staff.

Students who violate curfew, which includes the check in process, will be subject to the discipline process. Repeat offenses will receive additional disciplinary sanctions. Students on Academic, Social, or Spiritual Formation probation will be placed on Early Curfew until they are back in good standing.

**Quiet Time**

An appropriate volume is to be maintained at all times. In the Residence Hall it is our goal to ensure students are able to comfortably study, rest, and maintain personal devotions, therefore between the hours of 12:00 AM to 8:00 AM students are to avoid loud noises and respect any peer requests to adjust the noise level.

Maintaining quiet hours is the responsibility of the Residence Hall Staff. During mid-term and final exams a 24-hour quiet time will observed.

**Residence Hall Meetings**

For communication purposes all resident students are required to attend Residence Hall meetings held regularly throughout the year. Permission to be absent is only given by the Resident Director.

**Solicitation of Money**

Solicitation of money in the Residence Halls for any reason, (other than those authorized by the University) is prohibited unless approval is given by the Dean of Students.

**Babysitting**

For liability reasons, students are not permitted to babysit children in the Residence Halls.
Children may visit campus if they are under direct supervision of their parent and/or legal guardian.

**Vacations and Breaks**

During Winter Break, Spring Break, and Summer Breaks all Residence Halls are closed and students are not permitted to reside in the buildings during these times. All students must vacate the hall by the prearranged time as announced by the Dean of Students or Coordinator of Residence Life. However, in season athletic teams, international students, and students with on campus employment may be permitted to stay on campus. These students must have their coach or employer notify the Dean of Students or Coordinator of Residence Life of this need for approval. During Fall, Thanksgiving, and Easter breaks students may stay in the Residence Halls but during these breaks students are not permitted to have any guests or visit other halls they do not live in. A fine may be assessed if a student does not leave by the prearranged time.

For Summer Break, students taking Summer Session classes and working on campus must submit a Summer Housing Application to the Coordinator of Residence Life. These students will move from their Spring Semester housing into their prearranged housing and must do so within the parameters established by the Coordinator of Residence Life.

When leaving campus over an academic break a student's room must not receive any checks for Room Inspection. Additionally, all electrical devices must be unplugged, food properly disposed of or taken home, and any appliances emptied, cleaned, and unplugged.

Students returning for a new semester will be allowed to move in the day prior to the first day of classes of that semester and must be checked in by the conclusion of business hours that day.

During all breaks students are subject to a Zero Tolerance Residence Life Policy. These expectations are conveyed in meeting and written form. Any student who violates these expectations will be required to move out within 24 hours, for the duration of the break.

**Windows/Screens**

Screens are not to be removed from Residence Hall windows. A fine will be assessed for violations. Students should report damaged screens immediately to their Resident Director. Cost of replacing missing screens will be assessed to students in the room. Students are not to exit/enter through windows. This behavior will result in disciplinary action. In the interest of modesty and propriety, students may not approach the Residence Hall windows of students of the opposite sex.

**Housing Process**

All students who wish to live on campus participate in one of two processes to receive a housing assignment. Additionally, all resident students are required to complete and sign a Housing
Contract that includes the selection of one of three meal plans. For meal plan eligibility information please read a copy of the Residence Hall Housing Contract.

The Housing Process for first year students requires the student to complete a Roommate Preference Sheet as supplement to the Housing Contract. This form allows the Housing Director to pair students up based on provided information with another student similar to their responses. Additionally, this form allows first year students to request a specific roommate they may have a previous affiliation with who will be attending the University.

Returning students participate in what is referred to as Room Rush. Immediately following Spring Break, students are given the opportunity to select their Hall, room, and roommate(s) in an order decided by a points system. Students earn points based on number of semesters on campus, academic credits earned, and ties are decided by Spiritual Formation Credits from the fall semester.

Specific point breakdowns, appointment order and time, and instructions are communicated in Residence Hall meetings and distributed to the students prior to Spring Break. It is the student’s responsibility to attend these meetings to receive this information and to be present at their slot to select their assignment. Students who fail to attend their time and in their order will be moved to the end of the selection order. The Director of Housing and Residence Life and RD Staff reserve the right to deny a student’s Hall, room, or roommate(s) request when circumstances dictate.

Hall Clearance/Storage

Students are expected to vacate the hall as described in the Vacation and Break Policy. Rooms must be thoroughly cleaned and emptied of all personal belongings. Room Inventory Forms are filed within the Residence Hall Office and forwarded to the Director of Housing and Residence Life upon check out. Failure to comply with the above procedure will result in additional charges.

The University is unable to store any personal items. Arrangements should be made with local storage facilities if a student is unable to transport items home.

Emergency drills are held periodically for training purposes and everyone is required to participate.

Other emergency situation procedures are available from the Coordinator of Residence Life or the Student Life Department.

Off Campus Housing Policy

Living off campus as a single student is a privilege and not a right. It is granted only to those who are seniors and/or age 21 and older. Exceptions may be granted on a case by case review by the Coordinator of Residence Life and Dean of Students, but there is no guarantee that the application will be approved.

An application must be completed thoroughly, and permission must be gained from the Coordinator of Residence Life and Dean of Students prior to the semester the student plans to live off campus. All applications are to be submitted no later than July 1st if choosing to live off campus for the fall semester. Students who apply for off campus housing that are on Academic, Social, or Spiritual Formation Probation will not be approved to live off campus until good standing is regained. Students are also not permitted to move off campus in the middle of a semester. Disregarding the off campus application procedures will result in disciplinary action.

Single students that are given permission to live off campus are required to adhere to the following regulations:

- Maintain a positive Christian witness in all activities, including paying your bills on time.
- Attend church services on a regular basis as described in this Handbook.
- It is a violation to have an overnight guest of the opposite sex in your home (family excluded).
- Be consistent in maintaining a total lifestyle that is in keeping with scriptural standards of holy living and the guidelines of the Community Lifestyle Standards.

Students interested in applying to live off campus may speak with the Coordinator of Residence Life (Located in the Student Development Office) to gather information before applying. Students need to refrain from signing an external lease before receiving approval from the Dean
students in the event their application is denied. Incomplete forms will result in denial of the application.

The Off Campus Housing privilege may be revoked based on any change in the above stated conditions.

As long as you are a student at Ohio Christian University you agree to conduct yourself in accordance with the University standards.

**SOCIAL LIFE**

We believe that an opportunity to develop relationships is a part of the educational journey. Ohio Christian University offers a tremendous opportunity for building friendships with other Christians that you will cherish for the rest of your life.

**Dating**

Dating relationships can be one of the most enjoyable and important aspects of University life. It is important, therefore, to be very wise in these decisions regarding relationships, maintaining the priority on academic, spiritual and social maturity. All such relationships must be based on Biblical principle. This will result in enjoyable, meaningful relationships, and spiritual edification. All students are asked to be cautious about the time spent dating and be certain to devote enough time to study and spiritual growth.

Adult students who are enrolled in the traditional campus program are not permitted to engage in dating relationships with Post-Secondary Education Option students who are taking course through their school on campus. Dating relationships that exist previous to the students’ enrollment in the traditional program must be disclosed to the PSEO Program Coordinator, Dean of Students and Vice President for Student Development.

**Public Display of Affection**

Physical expression of affection should be appropriate to the guidelines of Scripture and the policies of the University. Other behaviors, such as excessive body contact, lying with one’s head in the lap of another, sitting on the lap of someone of the opposite sex, inappropriate touching to any degree, etc., are considered to be inappropriate and subject to accountability.

**Engagement and Marriage**

Some students will make a life time decision in regard to marriage while at Ohio Christian University. The time of engagement is an opportunity to be learning of the high Biblical standards for marriage and to be in preparation for married life. Student Development personnel are available or can direct a student to guidance and counseling.
MARRIED STUDENT LIFE

We believe that the married student, the spouse, and children should be given the opportunity to be involved in the full University experience. The University experience can be very positive for you as a couple and for your family. It must be a team effort and commitment. This will be an experience that will stretch your faith as you allow God to meet your every need.

Be certain to involve your family in the total University experience. There are a number of events you can attend together, such as Chapel services, Revivals, concerts, sporting events, Christmas parties and other events. If you plan to be involved, it will be a growing opportunity for your family.

We also urge that you carefully plan your time spent alone, as a couple, and family time, as well as maintaining a positive financial plan for your family.

Married students should conduct themselves in keeping with the standard of Scripture and the University. Guidance will be offered in circumstances of divorce and adultery.

Married Student Housing

Housing is occasionally offered for those students who become married. Please contact the office of Student Development or the Dean of Students for availability. It is expected that married students and their families will be consistent in abiding by the standards of the University. Parents are reminded that they are responsible for the actions and behavior of their children at all times. The University reserves the right to make periodic inspections of all University housing for proper maintenance and cleanliness, and will be sure to convey prior notification to the tenant.

Those who wish to occupy University housing must be enrolled at Ohio Christian University for a minimum of 12 credit hours per semester. If a student is completing a two or four-year program, an exception to the credit hour requirement can be made within the semester of completion through the Vice President for Student Development.

Student Guests

When single students are guests in the home of a married student or someone else in University housing, the host is responsible for the conduct and whereabouts of the guest. Couples or single students of the opposite sex are not to be in a private home when the host is away. Students should only be in the home of married persons by invitation or consent. If on campus resident wishes to have a single student, or students, house-sit during a vacation, this must be approved by the Coordinator of Residence Life.

The Student Handbook Committee convenes every year to evaluate and recommend changes to the Student Handbook. The Vice President for Student Development serves as the advisor of the committee and the Dean of Students serves as the chairman of the committee. There are equal number of staff and/or faculty members and students that serve on the Student Handbook Committee.

Employment

We endeavor to find employment for students who need funds to meet their expenses. Students need to fill out the appropriate information at the Financial Aid Office.

You will need to be aware of your conduct while on the job so that Christ is glorified in all things. Be neat, courteous, prompt, and well groomed. Let your employer know of vacations, in advance, so scheduling can be worked out. If you are ill, be sure to let your employer know. Such conduct enhances your witness, the testimony of the University, and the cause of Christ as well as your own reputation.

Food Service Information

Meal prices and meal times are available in the cafeteria. For further information about special requests, sack lunches, use of food service facilities, please contact the Food Service Manager or the Office of Student Development.

Mail

Mail is delivered by the Post Office and is distributed by OCU Mail Room personnel. All students will be assigned mail boxes and are encouraged to pick up their mail daily.

Letters and packages can be sent out through the Mail Room. Please see the Mail Clerk for instructions and payment. Please leave your change of address at the Post Office. All other mail will be returned to sender or disposed of if a forwarding address is not available.

Policy and Procedure for Handling Grievances

Letters of Complaint – On a few occasions, persons have felt it necessary to write letters of complaint to the Administrative Council or Denominational representatives. All such letters must
be signed if the writer wishes to gain the desired result. Anonymous letters will carry no influence and will be disregarded, except for potential prosecution of the writer by the University. Everyone is to be aware that letters of that nature potentially leave the writer open to lawsuit for defamation, liable, harassment, etc.

1. Students are encouraged to discuss grievances with the person/staff member having direct supervision over the area of concern. That person will attempt to resolve the problem. Concerns may be communicated verbally or in writing by the student to the staff member.

2. If the need is not satisfactorily met, the department head or director of the area is the next level of contact. It is the student’s responsibility to demonstrate that they have already communicated with the staff member who oversees the program, office, or department. The director/department head will review the student’s complaint and provide a response.

3. If the need is not satisfactorily met, the Vice President of the area with which they are experiencing the problem is the next contact. The complaint must be presented in writing. Evidence that the grievance has been passed through the prior levels will be necessary for each subsequent level.

4. If the need is not satisfactorily met, the student has the privilege of appealing to the University Administrative Council. The request for a hearing must be presented in writing to the Office of the President along with the written complaint. This step is only appropriate when there is evidence that prior steps have been followed.

5. At the direction of the President, the Administrative Council shall hold a hearing and will render a decision regarding the grievance made by the student.

6. The student and the Administrative Council shall have the right to call witnesses. The President may limit the number of witnesses to be called.

7. The decision of the Administrative Council shall be reported to the student in writing within one working day of the rendering of the decision by the Council.

8. The decision of the Administrative Council shall be final.

Readmission of Continuing Students

Readmission is not granted automatically. If the University believes that a student's readmission would compromise the lifestyle and/or academic standards of the University or not be in the student's best interest, the appropriate committee will review his or her record for the purpose of granting or denying continued enrollment.
Security

Campus Security is maintained by the Chief of Security and a Deputy as well as part-time work study students. These persons are not sworn officers, but are employed by the University to take steps to maintain your safety and the security of campus facilities.

University Policy on Sexuality and Gender Identity

Ohio Christian University’s policy regarding sex, sexuality, and gender identity is grounded in the teachings of the Bible as understood in the University’s doctrine and long-standing religious affiliation and status with the Churches of Christ in Christian Union which was established in the Wesleyan theological tradition. This policy is intended to address transsexualism, transgenderism, and broader related gender identity issues.

We recognize our obligation before God to love all persons, understanding such love in the context of the Bible, God’s revealed truth. We affirm that God’s original and ongoing intent and action is the creation of humanity manifest as two distinct sexes: male and female. We also recognize that due to sin and human brokenness, our experiential perception of our gender is not always that which God the Creator originally designed, and yet affirm further God’s capacity to heal and transform our brokenness in keeping with His purposes and will.

Within the Biblical understanding of the act of mankind’s creation, the Biblical description of the fall of mankind, and God’s act of redemption, we do not support or affirm the resolution of a psychological identity discordant with one’s birth sex. Similarly, we do not support or affirm attempts to change one’s given biological birth sex via medical intervention in favor of the identity of the opposite sex or of an indeterminate identity. As a Christian residential institution of higher learning we will respect those whose moral views diverge from ours, and seek to embody the gentle and patient love of Christ for all. We will, however, make institutional decisions in light of this policy regarding housing, student admission and retention, employment hiring and retention, and other matters.

Personal Vehicle Registration and Operation

Anyone who drives on the Ohio Christian University campus is expected to abide by all posted regulations and use designated parking. Students are also expected to abide by all Ohio regulations. Failure to comply with State and Campus regulations may result in suspension of the vehicle registration. The motor vehicle must then be removed from campus for the remainder of the academic year.

Every vehicle operated on campus by a student or resident family member must be registered with the Office of Student Development within 48 hours of its first arrival on campus. Student motor vehicles are not registered until all appropriate forms are completed and the campus vehicle decal is properly displayed. If the decal is not properly displayed, a fine will be issued.
When state registration plates change, or a vehicle is sold and/or the plates transferred to another vehicle, the Office of Student Development must be notified within 48 hours.

State law requires that all vehicles be insured. Failure to comply with this law will result in disciplinary action by the University and authorities will be contacted at once. The University will not assume any responsibility for any liability or expenses involving vehicles or its contents registered or owned by students.

Vehicles are to be operated within posted speed limits. The maximum campus speed limit is 15 miles per hour. Vehicles are to be operated only on surfaced roadways. Remember, there are children that reside on campus. Keep safety a priority.

Racing or any reckless driving is prohibited on campus roadways and surrounding denominational property, including the RV Park. In an effort to prevent erosion of farm fields, all-terrain vehicles and motorcycle traffic is limited to established roadways.

Mechanically inoperative vehicles and those not bearing valid state registration plates are not permitted on campus. The vehicle owner is responsible to remove the vehicle involved at his/her own expense within 48 hours. If the above is not completed within 48 hours, the University reserves the right to remove the vehicle at owner's expense.

Parking is permitted only in the lots designated by the individual parking decal. No parking is allowed in areas that would block driveways, crosswalks, and building entrances. Handicap parking spaces are reserved at all times. Do not park on the grass. Students should be aware that they may be asked to relocate their vehicle to another lot temporarily for certain campus events, these events will be communicated in Hall Meetings and via email.

Violations and offenses will be fined and added directly to the student’s bill. In compliance with insurance regulations, bicycles may not be stored in any building.

Mopeds and motorcycles are considered motor vehicles and all motor vehicle regulations apply.

Students are not permitted to use any University vehicle for personal use.

**Student Health Services and Undergraduate Vaccination Policy**

Immediate health care is available to students through Urgent Care at Berger Hospital. The student is responsible for charges incurred. Students should notify their Resident Director when they are ill so that their progress can be monitored.

The Office of Student Development must be informed of any current medical problem or disease requiring a doctor's care or any long term medications so that each student's medical history will be kept up to date. A Health and Immunization Record is required of each student when admitted to Ohio Christian University. Students must be vaccinated against
meningococcal disease and hepatitis B. The data will be kept on file in the Office of Student Development and Residence Hall RD Office. All information is kept in strict confidence, per FERPA and HIPPA Laws. Students must also have their Health and Immunization Record completed and submitted to the Admissions office prior to Student Orientation at the beginning of the semester.

In case of serious illness or emotional problems, the parents or guardians will be notified if a student has given consent.

Students who wish to abstain from vaccinations due to religious or medical reasons may contact the Office of Student Development to appeal this policy.

STUDENT CONDUCT AND DISCIPLINE
Chapter 6

Ohio Christian University students are expected to conduct themselves in compliance with the Student Handbook and in such a way as to reflect a growing relationship with the Lord Jesus Christ.

The purpose of student conduct and discipline at Ohio Christian University is to assist in the maturing of its members and to aid the University in maintaining an atmosphere conducive to Christian growth. The system is designed to help the student to assume responsibility as a maturing Christian in the Ohio Christian University community in particular and the Christian community in general. It is intended to be developmental and redemptive rather than merely punitive.

Students are reminded that they agreed to abide by University policy with their application for admission to Ohio Christian University.

Good Samaritan Policy

Because Ohio Christian University believes that student safety and health are of high importance, this policy was implemented to encourage students to take immediate action during times of medical emergencies or other crises. The University encourages students to take active steps to protect the safety and well-being of the OCU community. OCU is aware that the Code of Conduct or Lifestyle Agreement can cause students to be reluctant to seek medical help or other assistance for themselves or others out of fear that they will be punished for their actions by the University. During crisis situations involving drugs, alcohol, sexual misconduct (rape, sexual assault, domestic violence, dating violence, stalking, etc), OCU urges students to take positive action to care for one’s self or others who need immediate care. Because of this, no University disciplinary sanctions will be issued to either the reporting student(s) or to the student(s) in need of assistance related to the violations that occurred at or near the time of the incident.

This policy applies to students who report sexual misconduct or participate as key witnesses in sexual misconduct investigations, or who seek medical assistance for themselves or another by contacting an appropriate official (Resident Assistant, Resident Director, Campus Security, or by calling 911). It should be noted the incident will be documented and that educational or health interventions may be deemed appropriate and considered in place of disciplinary sanctions.

Amnesty

We know that students can sometimes be fearful of asking for help, so we have established an Amnesty Process. Through this process, you can admit your struggles, accept accountability for them, and receive the help and support you need to work through your issues. If you ask for help,
you will be asked to abstain from the behavior and may be asked to sign a behavioral agreement and/or to seek professional help.

When you request to be part of this process, you will not be suspended for the behavior(s) you requested Amnesty for, which occurred prior to beginning the process, but you will have to embrace the change process. This policy allows students who want to receive help and support to work through these issues and accept accountability for these behaviors without going through the normal discipline process. Those students who seek help from the Office of Student Development receive appropriate assistance. Students requesting help are asked to abstain from the behavior and may be asked to sign a behavioral agreement and/or required to seek professional help. Students must request this before any disciplinary confrontation addressing the specific inappropriate behavior(s) occurs. The University can help you do that through counseling, mentoring, discipleship programs, accountability software, behavioral agreements and more. Students who wish to have more information on the amnesty process must speak directly with the Dean of Students.

It should be noted that the Amnesty and Good Samaritan Policy does not cover an individual’s act of sexual violence such as rape or other harmful acts which put other people at risk of endangerment.

Areas of Accountability

The items listed below represent the types of actions that create difficulty or concern within the community and are likely to result in disciplinary action. This list is not to be considered complete.

Disciplinary Process

All offenses will be handled on an individual basis. Any and all disciplinary sanctions may be applied. Some offenses may be considered minor in nature and others are of greater concern and will result in action that is reflective of that. Penalties will increase if offenses accumulate or if more than one offense is involved in any incident. All necessary members of the Office of Student Development will be involved in the process. Every violation will be discussed with the student at the appropriate level.

The Student Development staff who oversee student conduct, approach behavioral issues in a restorative and redemptive way. If the incident that is being taken into the disciplinary process is one that does not involve physical harm to another or other acts of violence and intimidation, the response from Student Development will be one that attempts to restore the student to the community. The goal is reconciliation and providing avenues for the student to learn from their actions and take responsibility.

Students should be aware that all federal, state, and local laws apply as well. Enrollment in no way negates coverage from civil law. Penalty from civil law does not exempt students from
further discipline by the University.

Disciplinary Sanctions

The following are the definitions of the sanctions as listed above:

- **Warning:** A verbal or written response which enforces the notion that any continuation or repetition of an inappropriate behavior will result in more severe sanctions. The warning will be documented and stored in the student’s file.

- **Fines/Work detail:** Fines are any monetary sanction given out to help students take ownership of their actions. Work detail is tasks given to help the community as a whole (i.e. working for Maintenance, Custodial, Student Development, etc). Work detail must be completed within the designated timeframe or further disciplinary action will take place and a fine of $20 per hour incurred for assigned hours not finished. Fines and work detail must be approved by the Dean of Students.

- **Campus Restriction:** The student is restricted to campus and may only leave with the permission of their Resident Director or the Coordinator of Residence Life, and is denied certain privileges as communicated by either staff. These privileges may include visits to lounge areas, intramurals, social events, University activities. This list is not a complete list.

- **Curfew:** A specified curfew will be implemented, including for those students who are over 20 years old. Duration and time parameters will be created and communicated by the Dean of Students or the Vice-President of Student Development.

- **Restriction of Open Dorm/Visitation Privileges:** Students receiving this sanction are prohibited from visiting dorms of the opposite gender and are suspended from visitation privileges for a duration of time determined by the Dean of Students and Vice-President of Student Development. This means that a student may not enter in a residence hall occupied by students of the opposite gender or have guests of the opposite gender in their room.

- **Developmental/Educational Assignments:** These may include, but are not limited to: attendance at educational programs, personal essays, letter of apology, alcohol and drug assessments, or involvement in a mentoring relationship.

- **Restitution/Restoration:** Restitution means that the student is required to make reimbursement for damage to or misappropriation of property and/or funds. It may take the form of appropriate service to repair or otherwise compensate for damages. The details of restitution shall be specified in writing. Restoration includes the obligation of
the student to work to make amends towards offended parties based on the student’s action and will be specific in writing.

- **Social Probation**: Social probation includes campus restriction. Students also must resign from all campus offices and are declared ineligible for interscholastic sports competition. The student is also ineligible to participate in co-curricular activities in which he or she would represent the University or serve in a leadership role. Students placed on Social Probation will also be required to earn their full required amount of Spiritual Formation Credits.

- **Community Service**: This consists of any work assigned on or off campus at the discretion of the Dean of Students and Vice-President of Student Development. The purpose is to give of one's time and effort to bless others. Hours will be assigned, ranging from 5 hours to 20 hours maximum. Any community service hours that remain incomplete by the assigned date will convert into a fine at the rate of $20 per hour. The charge of this will be designated to the student’s account.

- **Suspension**: Suspension is temporary severing of the student's participation with the University for a period of time varying from a portion of a semester to one full semester. It includes a student's right to return without formally requesting readmission at the end of the stated period. The suspension shall be followed by a period of Social Probation. Students are subject to the academic consequences of missing work as a result of such disciplinary action, and the faculty is not obligated to permit make up of missed assignments and examination in such cases. The duration and conditions of suspension shall be specified in writing.

- **Dismissal**: Dismissal means that the student's status is terminated from the University for an indefinite period. The duration and conditions of this period shall be specified in writing. Such action shall be noted on the student's personal record.

**Variations of the above disciplinary sanctions may be created when deemed appropriate.**

**Notification to Parents/Guardians**

Students are encouraged at all levels of the Student Discipline Process to share information with their parents. The University may notify parents of a student who has violated any laws or college policy governing the use or possession of alcohol or controlled substance, has been suspended, dismissed, or expelled from the college if the student is under the age of 21 at the time of disclosure. Furthermore, in cases involving serious injury and in situations deemed by the college to be an emergency, the college may notify the parents or guardian of a student.

**Rights and Privacy Act (FERPA)**
When a student is enrolled at an institution of higher learning, a substantial amount of personal information and educational data is collected, maintained, used and disseminated. Ohio Christian University recognizes and desires to protect the rights of privacy of the student over the age of 18, providing access to his or her educational data, and the rights to challenge the content of his or her records for inaccurate or misleading information. In general, only those persons directly involved in the educational process have access to the student’s records unless the student gives written permission to release the information.

FERPA Exemption Under Health and Safety Emergencies

FERPA permits non-consensual disclosure of education records, or personally identifiable, non-directory information from education records, in connection with a health or safety emergency under §99.31(a) (10) and §99.36 of the FERPA regulations. In particular, §99.36(a) and (c) provide that educational agencies and institutions may disclose information from an education record “to appropriate parties in connection with an emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals” and that the exception will be “strictly construed.” Congress’ intent that the applicability of this exception be limited is reflected in the Joint Statement in Explanation of Buckley/Pell Amendment, 120 Cong. Rec. S21489 (Dec. 13, 1974).

Accordingly, the Department consistently has limited the health and safety exception to a specific situation that presents imminent danger to a student, other students, or other members of the school community – or to a situation that requires the immediate need for information from education records in order to avert or diffuse serious threats to the safety or health of a student or other individuals. For example, the health or safety exception would apply to nonconsensual disclosures to appropriate persons in the case of a smallpox, anthrax or other bioterrorism attack. This exception also would apply to nonconsensual disclosures to appropriate persons in the case of another terrorist attack such as the September 11 attack. However, any release must be narrowly tailored considering the immediacy, magnitude, and specificity of information concerning the emergency. As the legislative history indicates, this exception is temporally limited to the period of the emergency and generally will not allow for a blanket release of personally identifiable information from a student’s education records. Under the health and safety exception school officials may share relevant information with “appropriate parties,” that is, those parties whose knowledge of the information is necessary to provide immediate protection of the health and safety of the student or other individuals. 20 U.S.C. § 1232g (b) (1) (I); 34 C.F.R. § 99.36(a). Typically, law enforcement officials, public health officials, and trained medical personnel are the types of parties to whom information may be disclosed under this FERPA exception. FERPA’s record keeping requirements (§99.32) apply to disclosures made pursuant to the health or safety exception.

The educational agency or institution has the responsibility to make the initial determination of whether a disclosure is necessary to protect the health or safety of the student or other individuals. However, the Department is available to work with institutions to assist them in
making such decisions in order to ensure that the disclosure comes within the exception to FERPA’s requirement of prior written consent.

In short, the health or safety exception will permit the disclosure of personally identifiable information from a student’s education record without the written consent of the student in the case of an immediate threat to the health or safety of students or other individuals. Of course, a school official, based on his or her own observations, may notify law enforcement officials of suspicious activity or behavior. Nothing in FERPA prohibits a school official from disclosing to federal, State, or local law enforcement authorities information that is based on that official’s personal knowledge or observation and not from an education record.

**Student Discipline Process**

1. General incidences of student misconduct shall be handled by the Dean of Students and other Student Life Staff.

2. More serious incidences of student misconduct, including those which may lead to suspension and/or dismissal, may be referred by the Dean of Students to the Student Life Committee for disposition.

3. The Vice President for Student Development and/or the University President shall have the power to suspend a student in extra-ordinary circumstances pending final disposition of the case.

4. When the Vice President for Student Development, Dean of Students, and Student Life members are questioning a student about an alleged violation of University policies, a third party shall not be present unless requested by those individuals.

If a student is having difficulty adjusting to the Ohio Christian University lifestyle, the Dean of Students may arrange for the student to meet with the Student Life Committee in an attempt to resolve the problem before any disciplinary measures are required.

**The Appeal Process**

In an effort to be fair in the adjudication process, the University offers an Appeal Process to all students. This is for those who feel that they were not treated fairly and that the facts surrounding the disciplinary decision warrant an appeal. A student can appeal the decision or appeal the sanctions given out for the violation.

In order for the appeal to be considered, the student needs to fill out an Appeals Application located in the Student Development Office (see Dean of Students). The application needs to be returned no later than 7 days after the disciplinary decision has been made (unless the
Disciplinary Letter states a different date). Furthermore, a student must appeal a decision based on one or more of the following criteria:

1. Insufficient evidence or information used to determine the decision.
2. New evidence or information has surfaced which is sufficient to alter the decision.
3. Sanctions given out were too harsh for the violation or behavior.
4. The University significantly veered from the Discipline Process in a way that affected the fairness of the decision.

The Chair of the committee will review each appeal based on one of the four criteria listed and determine if the appeal will be heard. It should be noted that not all submitted appeals will have their case heard. If it is decided that the appeal should move forward, the case will be overseen by the Student Life Committee. The Committee may review the appeal and choose to do the following:

- Leave the disciplinary decision and sanctions that were rendered through the Student Conduct process as is.
- Move forward with further investigations/meetings to come to a disciplinary decision and assign appropriate sanctions.

**Student Life Committee**

Function and Membership of the Committee:

- The Student Life Committee serves as the governing body during appeals and more serious student conduct when deemed necessary by the Vice-President of Student Development.

- Membership on the Student Life Committee shall consist of the following persons:
  - Two faculty members, one of whom shall be elected by the faculty to serve as Chairperson of the Committee
  - Dean of Students (non-voting, consultant role).
  - President and Vice-President of the Student Government Association.
  - Vice President for Student Development
  - Vice President for Academic Affairs

- A quorum shall be comprised of a minimum of three members, one student, and the Vice President for Student Development. The decision of the Student Life Committee is reached by a simple majority vote of those members present.

This committee can be convened at random and sporadically throughout the year to rule on specific incidents and to oversee appeals.
Student Life Committee Hearing Process and Procedures

The procedures for the Student Life Committee Hearing are as follows:

- The Student Life Department shall assume responsibility for preliminary investigation of the alleged misconduct. The matter shall be discussed thoroughly with the student and a thorough effort made to collect all relevant information in the compilation of the facts of the case.

- The student may waive the right to a Student Life Committee hearing in favor of direct decision by the Vice President for Student Development, subject to the approval of the Vice President for Student Development.

- Upon the recommendation of the Vice President for Student Development, the chairperson of the Student Life Committee shall determine the time and place for the hearing and shall inform the members of the committee.

- The student accused of misconduct shall be informed in writing by the Vice President for Student Development of the following:
  - The date, time, and place of hearing before Student Life Committee
  - The specific charges to be considered
  - The students’ opportunities to have another student, or member of the faculty or staff, appear with him or her. This person is to act as an advisor and is not to act as counsel for the accused. They must request permission from the Chairman to speak on behalf of the student. The chairman is not required to give clearance (the student is not entitled to representation at the hearing by an attorney at law)
  - The students’ opportunity to confront or question witnesses. The accused student and all parties involved are warned that threats made toward a witness or any person involved in the case are in violation of civil law and will be taken seriously. Law enforcement authorities will be called immediately.
  - The student's right of appeal.

The process of the Student Life Committee Hearing is as follows:

- The primary purpose of the hearing is to ascertain the facts of the matter and to render a reasonable and just disciplinary decision, taking into account the welfare of the student and of the University.

- The charges of alleged student misconduct shall be presented by the Dean of Students and/or the Vice President for Student Development.
The student, the Vice President for Student Development, and the committee shall have the right to call witnesses and to question witnesses brought by another party. The Chairperson of the Committee may limit the number of witnesses to be called. All students and witnesses called by the committee are required to answer questions posed by the committee in keeping with the stated purpose of the hearing.

The student shall have the right to have an advisor present of his or her choosing from within the University community during the hearing. This person shall advise only and not act as legal counsel.

For an incident of alleged misconduct involving more than one student, the committee reserves the right to consider the cases jointly or separately, subject to the request of the student for a private hearing.

**Student Life Committee Decision**

- Only committee members have the right to be present during committee deliberations and decision-making.

- The decision of the committee shall be reported to the student by the Committee Chair in writing within three working days of the rendering of the decision by the committee. Written notification shall be provided informing student of their right to appeal.

**Student Appeals Process**

- Disciplinary decisions made by the Student Life Committee may be appealed by either the student or the Vice President for Student Development to the Administrative Council, provided that the appeal has been filed, in writing, in the Office of the President within one working week of receiving written notification of the decision of the Student Life Committee.

- The appeals hearing shall be scheduled by the University President and shall include Administrative Council members, the Chair of the Student Life Committee, the Vice President for Student Development, and the student and his or her advisor, if any, from within the University community.

**The Administrative Council**

This council shall serve as an appeals committee to the decisions of the Student Life Committee. As such, the Administrative Council shall hold hearings and render decisions regarding appeals made by either the student or the Vice President for Student Development.

Hearing Procedures and Decisions of the Council:
The student, the Vice President for Student Development, and the Administrative Council shall have the right to call witnesses brought by another party. The University President may limit the number of witnesses to be called.

The decision of the Administrative Council shall be reported to the student in writing by the Vice President for Student Development within three working days of the rendering of the decision by the committee.

The decision of the Administrative Council shall be final.

Rights of Students Accused of Misconduct

Individuals accused of misconduct shall have the following rights:

- To have all charges of misconduct specified in writing
- To have the benefit of an advisor of the student's choosing from within the Ohio Christian University community which includes full time faculty members, staff members, or students during hearings before Student Life Committee and Administrative Council. While an advisor does not represent the student, he or she may counsel and advise the accused student in such a way as to protect the student's interest and provide redemptive counsel. Any student, faculty member, or staff member that would be deemed to have a conflict of interest, shall not serve in an advisory capacity.
- To call witnesses on his or her behalf and to question other witnesses called by other parties during appeal hearings.
- To request a private hearing where more than one student is involved.
- To receive all decisions in writing or via email, no less than one working day following the rendering of a decision.
- To appeal a student disciplinary decision if the appeal is made, in writing, to the proper office within one working day of written notification of the decision.
- To waive a Student Life Committee hearing in favor of a direct decision by the Vice President for Student Development, subject to the approval of the Vice President for Student Development.
- In the investigative process conducted by the Vice President for Student Development, the student shall not have the right to have an advisor present.
I. Non-Discrimination Policy; Designated Title IX Coordinator

Ohio Christian University (OCU) is an academic institution that, in accordance and full compliance with federal, state, and local laws, does not discriminate on the basis of sex. OCU does not knowingly support or patronize any organization that engages in unlawful discrimination on the basis of sex.

This policy is strictly enforced by OCU, and alleged violations receive prompt attention and appropriate corrective action. OCU takes steps to eliminate sex discrimination, including sexual harassment, sexual assault, stalking, and intimate partner (domestic/dating) violence, to prevent the recurrence of these behaviors, and to address the effects of discrimination, as appropriate. In this Policy, non-consensual sexual intercourse and non-consensual sexual contact are considered forms of sexual assault. All forms of Prohibited Conduct are explained in greater detail, below.

This Policy applies to all forms of Prohibited Conduct that occur in relation to OCU academic, educational, extracurricular, athletic, and other programs or in relation to employment with the University. OCU maintains jurisdiction over Prohibited Conduct that occurs on campus, that occurs off-campus in the context of any OCU education or employment activities or programs, or that occurs off-campus and has a continuing effect on campus or on any member of the OCU community. OCU addresses Prohibited Conduct through this Policy even if law enforcement or other external authorities are investigating the same or related allegations.

Complaints regarding Prohibited Conduct under this Policy should be brought to the Title IX Coordinator. The Title IX Coordinator has also been designated to handle inquiries regarding this Policy:

II. Who May Use These Grievance Procedures

These procedures provide for the prompt and equitable resolution of complaints by all members of the OCU community, including students, employees, consultants, vendors, independent contractors, applicants for admission or employment, guests, visitors, and third parties, alleging any form of Prohibited Conduct as defined by this Policy.

III. Prohibited Conduct Covered by These Grievance Procedures

A. Sexual Discrimination is when an individual is, on the basis of sex:

- Treated differently in determining whether such person satisfies any requirement or condition for the provision of any aid, benefit or service;
- Provided different aid, benefits or services;
- Provided aid, benefits, or services in a different manner;
- Denied any aid, benefit, or service;
- Subjected to separate or different rules of behavior, sanctions, or other treatment;
- Treated differently concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition:
- Discriminated against by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;
- Otherwise limited in the enjoyment of any right, privilege, advantage, or opportunity with regards to aid, benefits, or services; or
- Treated differently with regard to terms, conditions, or benefits of employment, or in the recruitment, consideration, or selection therefor.

Note that discrimination on the basis of sex in employment is permissible in situations where sex is a bona fide occupational qualification reasonably necessary to the normal operation of OCU.

Sex Discrimination includes non-sexual harassment on the basis of one’s sex when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or grade in a program, course, or activity;
• Submission to or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting an individual; or
• Such conduct is sufficiently pervasive, offensive, or abusive to have the purpose or reasonable effect of interfering with an individual’s work or educational performance, or creating an intimidating, hostile, or offensive work or educational environment, under both an objective and subjective standard. A single incident may create a hostile environment if the incident is sufficiently severe.

The determination of whether a hostile environment exists will be based on the totality of the circumstances, including but not limited to:

• The nature and severity of the conduct;
• The type, frequency, and duration of the conduct;
• The identity of and relationship between the respondent and the complainant;
• The number of individuals involved;
• The age and maturity levels of the respondent and complainant; and
• The location of the conduct and the context in which it occurred.

Examples of conduct that may form the basis of a Sex Discrimination complaint include, but are not limited to:

• Offering higher academic grades to students of a particular sex;
• Silencing students of a particular sex in classroom discussion;
• Referring to members of a particular sex by a derogatory name related to their sex.

B. Sexual Harassment is defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature when:

• Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment, evaluation of academic work, or any aspect of a University program, course, or activity;
• Submission to or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting an individual; or
• Such conduct has the purpose or effect of unreasonably interfering with an individual’s work or academic performance, i.e. that it is sufficiently serious, pervasive, or persistent as to create an intimidating, hostile, or offensive work or educational environment, under both an objective and subjective standard. A single incident may create a hostile environment if the incident is sufficiently severe.

The determination of whether a hostile environment exists will be based on the totality of the circumstances, including but not limited to:
- The nature and severity of the conduct;
- The type, frequency, and duration of the conduct;
- The identity of and relationship between the respondent and the complainant;
- The number of individuals involved;
- The age and maturity levels of the respondent and complainant; and
- The location of the conduct and the context in which it occurred.

Examples of conduct that may form the basis of a Sexual Harassment complaint include, but are not limited to:

- Making sexual propositions or pressuring for sexual favors;
- Touching of a sexual nature;
- Writing graffiti of a sexual nature;
- Displaying or distributing sexually explicit drawings, pictures, videos, or other materials;
- Performing sexual gestures or touching oneself sexually in front of others;
- Spreading sexual rumors or rating other students or employees as to sexual activity or performance;
- Circulating or showing e-mails or Web sites of a sexual nature;
- Direct or implied threats that submission to sexual advances is a condition of employment, promotion, good grades, recommendations, etc.;
- Sexually explicit jokes or statements, questions, or remarks about sexual activity or experience; and
- Physical assault of a sexual nature.

C. Non-Consensual Sexual Intercourse is the penetration, no matter how slight, of the sex organs, anus, or mouth of another person without that person’s consent.

For purposes of this Policy, Consent is defined as clear verbal or non-verbal communication, freely and actively given, that is mutually understood as willingness to participate in a sexual activity and the conditions of that sexual activity. An individual may withdraw consent for further sexual activity at any time with clear communication to the other party. An individual’s consent to one sexual activity cannot be seen as consent to other sexual activity. Consent cannot be given by a person who has not reached an age under state law by which they are permitted to consent, by individuals with a developmental or cognitive disability that prevents them from having the capacity to consent, and by individuals who are Incapacitated. If Consent cannot be given by an individual, sexual activity with that individual is considered to be without Consent, even if the person appears to have given Consent. Silence or failure to resist does not constitute consent. Consent cannot be obtained through force, threat of force, fraud, or coercion. Consent for previous sexual activity between the parties does not constitute Consent for future sexual activity.
For purposes of this Policy, Incapacitation is the state of being unconscious, asleep, or under the influence of drugs and/or alcohol to such an extent that the person cannot appreciate the nature or consequences of their actions. Incapacitated individuals cannot give Consent. Note that Incapacitation is not a defense to Prohibited Conduct.

D. Non-Consensual Sexual Contact is the intentional touching of the intimate parts of another, causing another to touch one’s intimate parts, or the disrobing or exposure of another individual’s intimate parts, without the other person’s Consent. Intimate parts include the breasts, genitals, buttocks, groin, mouth, or any other part of the body touched in a sexual manner. Sexual Contact may be over the clothes, or skin-to-skin. For the definition of Consent and the related definition of Incapacitation, see Paragraph III(C), above.

E. Stalking is a course of conduct directed at a specific person that would cause a reasonable person to: (A) fear for the person’s safety or the safety of others; or (B) suffer substantial emotional distress.

For purposes of the definition of Stalking under this Policy:

- A “course of conduct” means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
- A “reasonable person” means a reasonable person under similar circumstances and with similar identities to the victim.
- “Substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

F. Intimate Partner Violence is domestic violence or dating violence.

Domestic violence is violence that is committed against a current or former spouse or intimate partner, a person with whom the perpetrator shares a child in common, or a family member, roommate, or household member.

Intercollegiate Athletics

In 1979, Ohio Christian University began an intercollegiate athletic program. This program was initiated to provide opportunity for athletes who have committed their talents to Christ, to better publicize Ohio Christian University, and to serve as a means of Christian witness. Current offerings may expand as student interest grows and facilities and finances become available.

Ohio Christian University prides itself on having a different approach in athletics. We reject the idea that "winning is everything." We believe that Christ calls us to do our best at all times whether in victory or defeat. If a person has done his or her best, God is pleased and the effort has been worthwhile.

The University is a member of the National Association of Intercollegiate Athletics (NAIA) and are subject to the NAIA guidelines in all areas pertaining to intercollegiate competition.
